#### What We're Learning

Math: This week we worked on capacity and fractions on a number line.

In Project Lead the Way we have been learning about how force and motion. We built a wheel and axel that could help move a load.

We will present our paper bag book reports next Wednesday February 24<sup>th</sup>. Students may choose their own chapter book and prepare a paper bag for a short in-class presentation.

Be Respectful

Be Responsible

Be Safe

We are working hard to earn a pizza party next Friday. Ask your student how many tickets they have earned toward their goal of 20 to earn a pizza party.0

Students only need to complete one book report this month to earn their pizza slip. That is an easy goal, you can do it!!! Remember to turn in reading logs, students earn stickers toward a free ice cream coupon!
