

Clarification of & Changes to Uniform Dress Code

Dear Parents & Guardians:

As we enter in to Fall, and (hopefully) cooler temperatures, you may be sorting through clothing or purchasing new items for your growing child. I wanted to let you know about changes to our dress code and how we will begin to manage infractions.

These changes, effective after Fall Break, come as a result of feedback from parents and having one full school year behind us. Now seems like a good time to introduce these new options and reinforce our current dress code.

Lately, we have been seeing MANY variations and interpretations to our current dress code. To clarify our dress code, I have created a document with sample photos of clothing items that meet our uniform policy. It is available on our website at www.johnrexschool.org I trust that this will assist you as you help your child make clothing choices for school.

In order to maintain the intent of our dress code and to communicate infractions more effectively, we will begin sending a note home with children whose clothing is not compliant with the uniform policy. Children that repeatedly are not in school uniform will be sent to the office to call a parent/guardian to bring appropriate clothing to school. Further infractions may result in disciplinary action.

We ask that parents cooperate with the school and help their children follow the policy and adhere to our school dress code rules that are copied on the back of this page.

Sincerely,

Joe Pierce, Head of School
