Classroom News

We found a duck egg this week on the playground and have put it in the incubator to see if it will hatch! We also did a little research on a new website our school has purchased called pebblego.com. You can get on this site AT HOME too!

What We're Learning

Math: This week we focused on division and order of operations.

PLTW: The kids worked on completing basic simple machines and learning about magnetic poles. Next week they will begin making their complex machines!

Snack: Mon: Maxine

Tues: Adamari

Thurs: Hector

Fri: Leysliee

Be Respectful

Be Responsible

Be Safe

Starting THIS Friday the kids will be doing specials a little differently! They will be involved with the Lyric Theatre and the Boathouse!

We could use some pre-sharpened pencils leading up to the state test. Also, if you would be interested in helping out with a special healthy snack on those days, please let me know. Thanks for all your support!
