What We're Learning

Reading: Read to Self, Read to Someone, Writing, and Word Work.

This week the kids have been learning about story elements and we enjoyed reading some Scaredy Squirrel books. Try asking your child to identify character, plot, and setting in their daily reading.

Math: This week we practiced addition and subtraction. Starting next week we will begin switching up our groups for math! ☺

Writing: We are working on personal narratives about our best day ever!

Be Respectful

Be Responsible

Be Safe

Please make sure they are getting 20 minutes of reading each night!

Our classroom website is up and running check it out at :
