## Classroom News

Reading logs will begin on October 1<sup>st</sup>. Students will need to write what book they are reading and write a sentence or two in response to their reading. This will come daily and they will need to fill it out after their at home reading as well as their in class reading. Also we will be setting a reading goal that each child in class will read 3 chapter books on their level this month. Students will receive help choosing good-fit books.

Be Respectful

Be Responsible

Be Safe

Our classroom website is up and running check it out at :

## What We're Learning

Reading: Read to Self, Read to Someone, Writing, and Word Work.

This week the kids have been learning about author's purpose. The three main purposes are to inform, explain, or persuade. Good luck persuading them to clean their rooms! ;)

Math: This week we practiced addition and measurement. Our first week in math groups was a great success!

Writing: We are finishing up personal narratives and starting persuasive writing. Watch out, we are writing a persuasive piece to convince our parents to get us a new pet!

**We reached our Scholastic points goal! The books should arrive next week. Thanks for supporting our classroom and your child's love of reading.**
