Classroom News

Reminder: We have two book reports due in November. One is a choice chapter book and the other is a biography. We are doing the majority of the biography work in class and the creative portion can be finished at home. Please check in with your child and make sure they are on track to meet this monthly goal.

## What We're Learning

Reading: Read to Self, Read to Someone, Writing, Word Work, and Guided Reading Groups with Teacher.

Last week we learned about fairy tales, this week and up until Thanksgiving break we are working on fables and biographies. We are reading and writing about biographies in the classroom for our last November book report.

Math: This week we worked on our 2's and 3's for multiplication. We are also working with a lot of arrays and word problems. At night it would be good practice to skip count with your child by 2's, 3's, and 4's!

Writing: This week we practiced the writing process while writing a story about capturing a turkey. The kids loved it!

Science: In Science we are learning about force and motion.

**Please make sure your student is coming to school in dress code. We have really been enforcing it with our third graders because they are the leaders of our school. Thank you for your help with this!**
